# Mac Parthum

## Future Full Stack Web Developer

326 4th Avenue West  
Hendersonville, NC 28739  
(828) 577 - 6975  
[macparthum@gmail.com](mailto:macparthum@gmail.com)

Easy going, level headed and curious. Full-Stack Web Developer that leans toward front end work, and enjoys working in a team environment towards long term solutions.

### LANGUAGES:

HTML , CSS, JavaScript, Node.js

### PROJECTS:

My first class project. We worked as a team to create a fun app that flips a coin and generates cooking recipes depending on the result of the coin toss.
